## Letter from the Commander in Iraq

**“Aloha LogDawg Families and Friends”**

We are on the move again! Although we do not have a final resting place locked in, as of yet, we will be sure to get you the address ASAP! We are busy now, packing and getting our equipment and personal ready to leave Al Taji. Who would have guessed that we would be called to duty in more than one area of Iraq to support troops in need of our many capabilities! **We are ready!** We are strong and Steadfast! We will support Operation Iraqi Freedom II and support the troops who need us to the best of our abilities! But we could not do it without all of your support! Thank you very much for all the patience and time and love you all have bestowed on us! We hope this finds you all well! Have a great LOGDAWG DAY!
